

## *Directions to Rahway Hospital*

### *Directions from GSP*

*GSP traveling south, exit I35. Stay in left lane when exiting. Go around circle. Go under bridge and make the **first right** onto Brant Ave.*

*GSP traveling north, exit I35. Exit parkway and stay to the right bear right onto Brant Ave.*

*The signs says Rahway and there is an "H" for the hospital sign there. **If you miss the turn just go around the circle again.** As you ride along on Brant Ave. you will pass Mother Seton HS on your left ( I really don't expect that to mean anything to you).*

*At the first light (Westfield Ave.) turn **left**. Continue on Westfield Ave. until you come to a medium size intersection with a traffic light; an open park will be on your right, and Clark Animal Hospital will be over to your left. There is another "H" sign there. Turn **right**.*

*The rear, emergency room entrance to the hospital will be on your left after two blocks.*

*Pass it and turn **left** onto Stone St. You are in a residential area here. Go one block, turn **left** and make another **left** into the driveway and parking lot or park on the street and come into the front entrance.*

*At the desk, tell them conference room #3..*

### *Directions to Conference Room # 3*

*When standing at the desk facing the receptionist, you turn to your **right and walk straight ahead to the wall**. Turn **left**, go to the end of the short hallway (the ladies room will be on your right), turn left for the cafeteria or turn **right** for the meeting.*

*After turning right you walk to where another corridor intersects and turn **left**. Walk to the end and the chapel is straight ahead. Conference room # 3 is located to the left of the chapel.*
